<b>TOLERANS ± % 2</b>			

This product is guaranteed for 12 months.

Life Time

In general, there are no legal restrictions about the occupancy of firefighter suits. Although it varies according to how to use it, as a basic rule (without guarantee) it can be accepted that the average occupancy is 10 years. This is calculated according to the various levels of use recorded by firefighters. In addition, after 10 years the latest technology clothes should be bought due to technological developments.
